**Circular No: 112/2024      Date: 12.08.2024**

**Subject: Implementation of Digital Attendance System in All Government Schools – Instructions Issued – Regarding.**

The Government of Tamil Nadu has decided to introduce a Digital Attendance System for all teaching and non-teaching staff across government and government-aided schools. This initiative aims to improve transparency, track attendance accurately, and provide real-time data to the Department.

All Headmasters are instructed to ensure the installation of the attendance devices before 30th August 2024. Training for staff will be conducted between 20th–25th August 2024. Attendance must be recorded twice a day: during the school start time and closing time.

Non-compliance will be viewed seriously, and appropriate disciplinary actions will be taken.
